## PRESIDENT'S REPORT

WELCOME to all MCRCWA members, old and new!

It has certainly been an interesting start to 2021. We ran our first event for the year in Collie in late January, and then unfortunately had to cancel our first Wanneroo Training and Tuning event due to the Covid lockdown. Hopefully the rest of the year will run smoothly with no interruptions.

Coming up next we have a Training and Tuning event on Saturday 13th March at Wanneroo Raceway, open for 3 Levels of Rider Training and 2 half day Tuning Groups. C, D and Novice group will be in the morning, followed by A and B grade in the afternoon. Entry via the link below. We are still looking for volunteers and officials for this day so if you aren't riding, and can help out, please let us know. Our days don't run without our team of volunteers!

One week after that we are heading down to Collie Motorplex for Round 1 of the WA State Road Racing Championship, Sunday 21st March! Entries are now open for this event (see link below) and it looks like we will be seeing some new faces this year to mix it up with our regular riders.

State Championship Regulations, tyre homologation list and series rules are now available online. <http://bit.ly/2021ChampRegs>

We are pleased to announce our sponsors for the State Championship and Series classes.

*Superbike State Championship - Triton Electrical*

*Supersport State Championship - Cullys Yamaha*

*Sidecar State Championship - Professional Printers*

*Production State Championship - GoMoto Store*

*Junior State Championship - Senior Engineering*

*Clubman Series - Rick Gill Motorcycles*

It is fantastic to see that all of these sponsors are returning in 2021, after supporting us last year. Please make sure to show your appreciation by thanking and acknowledging all of these businesses, but especially your class sponsor!

We would also like to welcome back Graham Corey and GP Wholesale with their Pirelli Contingency and tyre service for 2021.

The competition and executive committees have been working hard behind the scenes to come up with some new race formats and events for 2021. More information will be available soon!

I would like to wish you all good luck for the race season ahead! I look forward to seeing you all at the track, whether it be for racing, training, spectating or as a volunteer!

Tim Simmons—Club President
